5. Refunds where the student decides to withdraw from the course, will be paid within four weeks of receipt of the written request for a refund.
6. Homestay fees will be refunded on a pro-rata basis if a student moves into independent accommodation, or if a student withdraws from a course. The student's parent must make a written request to the Manager, Government Education and Training International, for a refund of homestay fees.
7. Refunds of tuition and homestay fees will be paid to the parents unless the parents request in writing that the refund be paid to the student.

10. 11. Where the actual start date is more than 10 weeks after the contracted course start date, and the cause of the delay is a result of delays in obtaining a student visa, the Manager, Government Education and Training International may approve a refund of 50% of the tuition fees that apply to the period of the course not attended.
12. If a student withdraws from a course within the first three weeks of attendance, 50% of the annual tuition fee will be withheld to cover administration and school enrolment costs.
